Betcha didn't know the PGA TOUR and Champions Tour now has an official cruise line.

After playing 18 holes in paradise, it's tough finding accommodations to match. Unless, of course, you're on Norwegian Cruise Line. As the newest partner of the PGA TOUR and Champions Tour we give you golf like no one else. Relax and enjoy your golf getaway to premier courses like Mauna Lani in Hawai'i and Port Royal in Bermuda. In fact, there's a new course and new experience waiting in every port. Whether it's hitting a bucket of balls at sunrise, or playing till you can't swing anymore. When it's Freestyle Cruising[®], only on NCL, you're free to whatever.
